FOREWORD FROM THE DISTRICT PRESIDENT

New era of divinity started on 23rd November 1926 when Bhagwan theme to the world in new avatar as "Sai Baba". From the childhood Swami showed the path(way) how the people changes the life of human manavattiwa se Daivattwa by maintaining simple life with discipline manner. At the age of 10 year Baba wrote a play let in Telugu with the title 'Cheppinatlu Chestara' ?- Will people act just as they profess? Bhagwan guided humanity not by percept, but by practice. Swami declared empathetically, "My Life is My Message". This divine declaration like any other statement made by bhagwan is most profound as it connects a deep and a broad spectrum of meanings.

Bhagwan said, "Truth is what I Propagate, Righteousness is what I Practice, Peace is my Nature, Love is my Form". Swami's love is equal for all no barriers of caste, creed, religion and nationality whether one was rich or poor, right from simpleton to a scholar, all had equal and easy access to Swami. Bhagwan was a child among children, a man among men, a woman among women while being in the supreme state of bliss as "Parambramha" all the time. Swami always deeply attached with devotees and at the same time supremely detached from the mundane world.

Bhagwan also taught us like himself as "sSimplicity". This form is a form of Sathya Sai or the embodiment of truth. In the name "Sai Baba" the word 'Sa' stands for 'divine' and 'I' stands for 'mother' and so Sai stands for Divine Mother. Baba means father. This means Sai Baba thus, means Divine Mother and Father.

With utmost devotion, the percept of Bhagwan's is the path to the to follow in our life. Usually we greet each other saying "Sai Ram" as a matter of routine, courtesy or a ritual, often forgetting its spiritual significance to see Bhagwan everybody in everything and in every activity.

With the divine blessings we are able to do some activities in spite of Covid-19 and restriction of Govt. guidelines and we also thank Swami for giving us much more courage, strength and capacity to continue our unconditional love towards the society. In the present 'world' we have to take a new thought involving ourselves as spiritual aspirants proceed ahead step by steps and transforming ourselves with the divine blessing the district annual report preparing and offering at His Lotus feet.

Annual Report 2020

SRI SATHYA SAI SEVA ORGANISATIONS – AN INTRODUCTION

The Sri Sathya Sai Seva Organisations founded by bhagwan Sri Sathya Sai Baba in 1965, is a service organisation with spiritual core and these to benefit all mankind irrespective of religion, caste, creed or sect. The Organisation serves as a platform for its members to undertake service and other activities motivated by an urge for one's own transformation with the aim of realising one's inherent divinity.

Without any distinction of religion, nationality race, social economic status, either for those who work in the Organisation or for those who are served by it, the organisation transcends all barriers leading humanity towards the ideal of 'Fatherhood of God and Brotherhood of Man'.

The concept of fees or membership subscription is alien to the Sri Sathya Sai Seva Organisations, for there cannot be any fee or subscription for one's journey towards his own self.The organization functions to its primary units called as Samithis and Bhajan Mandalis of which individuals- from different strata of society, different ethnic groups pursuing different religion and faiths- are members bound by the dictum of "Love All Serve All" and pursue their own Sadhana towards self-transformation following the path of selfless service to humanity.At no point is in individual asked to follow a certain religion or rituals. On the contrary each is inspired to follow his own faith so as to ensure your that a Hindu becomes a better Hindu, Muslim becomes better Muslim, Christian becomes a better Christian and so on. In fact, this spiritual basis inspires everyone to pursue their own religion better by putting in the practice Love and Selflessness. That is why the Organisation features in its emblem the symbols of the major religions of the world.

"The Organisations named after Me are not to be used for publicising My name, or creating a new cult around My worship.…They must render seva (service) to the helpless, the sick the distressed, the illiterate and the needy. Their Seva (selfless service)should not be exhibitionistic; it must sit no reward, not even gratitude of thanks from the recipients. Seva is sadhana (spiritual exercise)not a past time of the rich and the well placed. You must have the firm belief that the aim of this Organisation is to remove the obstacles that keep man away from God, that separate maanavathwa(Humanity) from maadhavathwa(Divinity). This Organisation must elevate the human into the Divine."

-Sri Sathya Sai Baba

Annual Report 2020

WINGS OF THE ORGANISATION

The Sri Sathya Sai Seva Organisation functions under three wings viz. (i)Spiritual, (ii)Education and (iii)Service. Each activity in a wing is directed to facilitate and help the member in his own spiritual advancement. Although, the nature of activities undertaken under different things appear to be distinct and dissimilar, but there is an inherent interrelationship amongst all the three wings. The three wings stand for Worship, Wisdom and Walk. Spirituality and Service are supplementary and complementary to each other. Spirituality is the motivational force behind the service and service is a fulfillment of spirituality. Therefore, spiritual concepts learnt through education must be put into practice in the form of service to humanity.
