Aum Sri Sairam

We the Sai Sevaks of Dhenkanal district feels extremely fortunate, while offering all our activities and endeavors at the lotus feet of our beloved Swami Bhagawan Sri Sathya Sai Baba.

2020 was an unprecedented year in the history of human civilization because of Covid-19 pandemic, so far as our activities as Sai Sevaks are concerned. Being free from the hustle bustle of the humdrum existence, we could pursue our every day spiritual activities, even more vigorously than ever and arranged more programs successfully. We could render our service at appropriate place in most logical and thoughtful way. When our planet and species were in imminent danger, we continuously worked on, knowing our Swami is guarding us just like our eyelids guard our eyes.

With great sense of gratitude, for choosing us as His divine instrument to accomplish the Divine mission, we place this Annual report 2020 at the Divine lotus feet, and pray Swami, the savior of the Universe, to hold our hands and guide us in this arduous path of life and SADHANA.

Sri Sathya Sai Seva Organisations – an introduction

The Sri Sathya Sai Seva Organisations, founded by Bhagawan Sri Sathya Sai Baba in the year 1965, is a service organisation with a spiritual core and base to benefit all mankind irrespective of religion, caste, creed or sect. The Organisation serves as a platform for its members to undertake service and other activities motivated by an urge for one's own transformation with the aim of realising one's inherent divinity.

Without any distinction of religion, nationality, race, socio-economic status, either for those who work in the Organisation or for those who are served by it, the Organisation transcends all barriers leading humanity towards the ideal of 'Fatherhood of God and Brotherhood of Man'.

The concept of fees or membership subscription is alien to the Sri Sathya Sai Seva Organisations, for there cannot be any fee or subscription for one's journey towards his own self.

The organisation functions through its primary units called as Samithis and Bhajan Mandalis of which individuals - from different strata of society, different ethnic groups pursuing different religions and faiths - are members bound by the dictum of "Love all, Serve All" and pursue their own sadhana towards self-transformation following the path of selfless service to humanity.

At no point is an individual asked to follow a certain religion or rituals. On the contrary each is inspired to follow his own faith so as to ensure that a Hindu becomes a better Hindu, a Muslim becomes a better Muslim, a Christian becomes a better Christian and so on. In fact, this spiritual basis inspires everyone to pursue his own religion better by putting into practice Love and Selflessness. That is why the Organisation features in its emblem the symbols of the major religions of the world.

"The Organisations named after Me are not to be used for publicising My Name, or creating a new cult around My worship.... They must render seva (service) to the helpless, the sick, the distressed, the illiterate and the needy. Their seva (selfless service) should not be exhibitionistic; it must seek no reward, not even gratitude or thanks from the recipients. Seva is sadhana (spiritual exercise), not a pastime of the rich and well placed.

You must have the firm belief that the aim of this Organisation is to remove the obstacles that keep man away from God, that separate maanavathwa (Humanity) from Maadhavathwa (Divinity).. This Organisation must elevate the human into the Divine."

Sri Sathya Sai Baba

WINGS OF THE ORGANISATIONS

The Sri Sathya Sai Seva Organisation functions under three wings viz. (i) Spiritual, (ii) Education, and (iii) Service.

Each activity in a wing is directed to facilitate and help the member in his own spiritual advancement. Although, the nature of activities undertaken under different wings appear to be distinct and dissimilar, but there is an inherent interrelationship amongst all the three wings. The

Spirituality and Service are supplementary and complementary to each other. Spirituality is the motivational force behind service and service is the fulfillment of spirituality. Therefore, spiritual concepts learnt through education must be put into practice in form of service to humanity. Thus, in order to successfully realise the objective of joining the Sai Organisation, one must participate in activities of all the three wings.

Activities under different wings of the Organisation

ADMINISTRATION OF THE ORGANISATION

Headed by an All India President who is supported by the National Vice Presidents and State Presidents, the Organisation functions like a well-oiled machine in the District under the stewardship of the District President, focused on its purpose, clear in its vision and dedicated in its efforts to live up the Swami's message – "Love All, Serve All".

The Samithis and the Bhajan Mandalis constitute a genuine spiritual movement where the members are united by a common bond – Love for God and Service to fellow human beings

The members of the organisation work as one Narayan seva or the bal-vikas gurus who work with young children to inspire in them a desire to inculcate the five human values of Truth, Righteousness, Love, Peace and Non-violence, or the teachers who having undergone the training in EHV help in guiding the young minds towards the higher goals of life or the Sai Youth who work tirelessly in the Sri Sathya Sai Village Integrated Programme and Sri Sathya Sai Vidya Jyoti Programme – each of them are bound by one goal – "Service to Man is Service to God"

THE 9 POINT CODE OF CONDUCT AND 10 PRINCIPLES

Every member of the Organisation is expected to undertake Sadhana (spiritual discipline) as an integral part of his/her daily life by abiding by the following Nine Point Code of Conduct which has been bestowed by Baba for one's spiritual and personal development. In addition, the ten principles that forms the core of guidance for all the members of the Organisation as ordained by Baba himself are also produced hereunder. BRIEF HISTORY OF SAI MOVEMENT IN DHENKANAL DIST.

The love and blessings of our beloved lord is reflected in mind when we recall the blessing of our Swami to Sri Sathya Sai Seva Organisation in the district of Dhenkanal.

Initially in the dawn of 1970 after getting a Sathya Sai Bhajan Mala from **Nabakishore Pattanaik**, **Sri Duryodhan Sahoo** and a group of 8 members started Sai Bhajans in Mahveer Temple of Dhenkanal town premises and formed a Bhajan Mandali in the same year, having very little knowledge about Bhagawan Sathya Sai. Then so many devotees joined in the tiny group & in 4th Aug 1971 this Bhajan Mandali was declared as a Samiti by the State President. During 1974 some devotees attend the All India Conference in Rajmundry & was inspired and influenced by the idols and philosophy of Bhagawan Baba and by the able guidance of **Rangadhar Panda, Sribatsa Kumar Jena, Late Jagadananda Mishra, Late Bipin Bihari Mohapatra, Late Pravakar Nayak, Sri Lingaraj Raj**, the Sai moment picked up with greater speed and acceleration, and the organisation organised its first District conference at Jaunlipokhari Matha, Dhenkanal with a delegation of 74 brothers and sisters.

Before 1979 the organizational activities were limited to sanitation work in Bus Stand, Village road, fairs and funerals of strangers, and Hospital Visits. After the All India Sevadala conference activities enlarged to the field of education, health and rural upliftment. More over the organization adapted villages like Tangarapada, Majjuri, Ponga, Naktideuli, Karaberani, Badabilla, Sai Pattana, and lunched more social activities. A well was dug in **Tangarapada** and water supply was facilitated. The latest and develop teaching in field of agriculture, Health Camps, Blood Donation Camp were also organized.

As of Today we have 22 BhajanMandali , 08Samithies, 20 Sai Centers, spreading all over the district. We have 24 Balavikash Centre across the district. It is our

sincere endeavor to increase the number both in Quantity and Quality in the day to come.

IMPORTANT EVENTS OR CONFERENCES

Sevadai Training (3rd phase and 4th phase)

Service does not mean to help others in difficulties, it is to show your love to the needy or it is a chance to connect with the Almighty through them. There should not be any trace of “I am the doer”. Service should be rendered without keeping in mind getting any return and it should be offered with humility. Then this good work will turn in to a Nobel work of God. If any service is rendered to society, one should remember that God is the “doer”. It is true that rendering services is in reality the approval of God in reality of life. For this reason one should take the advantage of it in connecting God through this medium. It is true that getting chance to serve is the grace of God. We should take advantage of its usage. In this regard the initiative taken by our All India organisation to orient our Sevadals we organized 3rd phase district level Sevada training on 26th Jan 2020 at Nadhara along with Angul & Deogarh district,

Run with Value

Run with Values” was organised at our District headquarter to appeal to the society for a better world - free from terror, violence, hunger and ignorance - a world where everyone believes in the fatherhood of God and brotherhood of man and to lead a life based on the five human values of Truth, Right Conduct, Peace, Love and Non-violence. Holding banners, posters, flags & festoons, Sai youths were out on a mission - to meet Additional District Magistrate as representative of the society and handed over a beautifully designed memorandum titled, “Please Promise Us A Better World- An Appeal”.

Problems and worry are really to be welcomed as they teach you the lessons of humility and reverence.
